Welcome note

Dear Artists and Friends of IWAF,

Welcome to Mauritius, where the waves of the Indian Ocean, ever dynamic and full of life, reflect the rhythm of our gathering—a symphony of creativity, connection, and shared purpose. It is with great joy that we welcome you to this special week of the International Women Artists Federation, a celebration of art, friendship, and the bonds that unite us worldwide.

As women artists, wherever we meet—in bustling cities, quiet villages, or islands embraced by the sea—we find ways to connect, share our stories, and weave together the threads of our experiences. Here in Mauritius, with the ocean's waves carrying both whispers and roars, we are reminded of the **waves of interconnectedness** that define our lives and art. Each of us brings a ripple of inspiration, and together, we create a vast, moving current of creativity and hope.

Beyond the vibrant exhibitions and meaningful exchanges, you will have the chance to explore our island's breathtaking landscapes, from emerald lagoons and cascading waterfalls to lush sugarcane fields and the serene beauty of the Chamarel hills. As Mark Twain once wrote, "Mauritius was made first, and then heaven; and heaven was copied after Mauritius."

As we explore, exhibit, and exchange ideas here amidst the beauty of Mauritius, may we discover not only new perspectives in art but also friendships that transcend time and space. Together, let us weave a collective vision of creativity, unity, and purpose, leaving a legacy that will resonate far beyond this inspiration. And may the friendships we nurture here, like the waves, stretch far and wide, carrying with them the essence of this extraordinary moment.

Thank you for being part of this journey. Your presence enriches this celebration and reminds us of the boundless potential of art to shape and heal our world.

We look forward to seeing and hosting you in October 2025.

With warm regards from our tropical shores,

Angel Angoh
IWAF Chairperson
